

POWEROIL®

Powering Ahead

Alcaíno

Apar Industries Limited, founded by Late Mr. Dharmsinh D. Desai in the year 1958 is one among the best established companies in India operating in the diverse fields of electrical and metallurgical engineering. Over the ensuing years it has evolved to be a US\$ 900 million diversified company offering value added products and services in Power Transmission Conductors, Petroleum Specialities and Power Cables Apar manufactures wide range of Industrial / Automotive Oils and Lubricants at its state-of-art blending plants at Rabale - Thane and Silvassa (D.N.H) under SCADA controlled operations accredited with ISO 9001-2008 & ISO 14001-2004 quality systems providing high accuracy blending.

The comprehensive range comprising more than 150 Grades of Automotive & Industrial Lubricants meeting the latest International Standard specifications. These Lubricants are manufactured utilizing Hydro-treated and Hydro-cracked base oils, which give distinct advantage in performance over the similar products made utilizing conventional base oils. Multinational oil companies adopt these types of base oils worldwide.

The additive packages are selected from major additive manufactures of international repute after carrying out specific oil evaluations by them. The well-equipped sophisticated laboratory at our Rabale facility includes special testing equipments like Trace Metal Analyzer, FTIR, UV Analyzer, Particulate Counter, Cold Cranking Simulator, Rust Analyzer, Foaming & Emulsion Test Apparatus, Air Release Value and 4 Ball Well Load Testing equipment etc., to offer effective pre and post sales services to our customers. On-line micro filters are also part of our production systems which ensure clean and super clean oils meeting the stringent NAS 1638 classification requirements.

CRUISE SONIC 10W40 API SM, ACEA A3/B4

Top of the line Synthetic Technology car engine oil made for all modern and luxury cars, MUVs, SUVs or Jeeps. It boosts the engine power and provides better mileage. It can be used in all types of Petrol, Diesel, CNG or LPG cars of any make or models.

Cruise Sonic 10w40 is recommended for all cars made by Toyota, Suzuki, VW, BMW, Mercedes, Skoda, Tata, Ford, Hyundai, Audi, Porche, KIA, Renault, Volvo, Mitsubishi, GM etc.

CRUISE MULTI API SL/CF

Latest car engine oil for MPFI, Common Rail, Turbo or Multi Jet engines. It provides all round protection for your car engines from wear and corrosion. It can be used in any types of Petrol, Diesel or CNG/LPG cars. It keeps the engine clean from high temperature deposits and sludge.

Cruise Multi 20W50 is recommended for all cars made by Toyota, Suzuki, VW, BMW, Mercedes, Skoda, Tata, Ford, Hyundai, Audi, Porche, KIA, Renault, Volvo, Mitsubishi, GM etc.

CRUISE 40 & 50 API SF

CRUISE SAE 40 & SAE 50 is an universal car engine oil made from high quality base oils and formulated with additives to provide superior engine protection from heat, friction and corrosion. It protects all vital engine parts in stressful city driving as well as highway driving.

Cruise 40 & 50 It is recommended for use in cars of Hyundai, Suzuki, Toyota, Tata, Ford, KIA, GM, Honda, VW or any other cars where mono grade engine oil is recommended.

PREMIUM HD 15W40 API CI4/SL

Premium HD 15W40 oil is made from technologically advanced base oils for all latest Heavy Duty Diesel Engine meeting EURO-II&III emission norms. It is thermally stable and has good dispersancy and detergency properties to keep engine clean and provides longer oil drain interval.

Premium HD 15W40 is recommended for all Heavy Duty and Light Duty Diesel Engines of Trucks, LCV, Passenger cars, or Earthmoving Machinery of Volvo, IVECO, MAN, MACK, MERCEDES, AMW, RENAULT, TATA, HYUNDAI, NISSAN, FORD, CATERPILLAR, JCB, KOMATSU etc.

PREMIUM MULTI 15W40 API CH4

PREMIUM MULTI 15W40 is a high performance Heavy Duty Diesel Engine oil for all turbo charged diesel engines of HCV, LCV, DG SETS or Off Road equipments. It has very high oxidation and thermal stability and stays in the right viscosity grade to provide optimum lubrication to important engine parts. It keeps the engine clean from any deposits and protects it from corrosion. Its flows very fast to turbo charger at times of cranking to avoid dry running of turbo charger bearing and protects it from wear.

Premium Multi 15W40 is recommended for all Heavy Duty and Light Duty Diesel Engines of Trucks, LCV, Passenger cars, Earthmoving Machinery or Generators of Volvo, IVECO, MAN, MACK, MERCEDES, AMW, RENAULT, TATA, HYUNDAI, NISSAN, FORD, CATERPILLAR, LCB, KOMATSU, CUMMINS, PERKINS etc.

PREMIUM 40 SAE40

Premium 40 is a Unique Mono Grade Diesel Engine oil meeting high performance requirement of API-CF4 and used for Heavy Duty Diesel Engines of HCV, LCV, DGSETS, Tractor, Jeeps, 3-Wheeler, Earthmoving and Off Road vehicles.

Premium 40 is recommended for all HCV, LCV, Tractor, DG SETS, Passenger Cars, Jeeps or 3-wheeler of any make requiring Mono Grade Engine Oils.

BLAZE 4T FORCE 20W40 API SM, JASO MA2

A technologically advance 4-stroke motorcycle oil formulated with special additives to protect engine, clutch and gears under high RPM and heat. It has super strong film to withstand high load and stressful stop-start city driving and accelerated highway driving conditions. It provides smooth clutch engagement and gear shifting thus minimizing the power loss.

Blaze 4T Force is recommended for all 4-stroke motorcycle like Honda, Yamaha, Suzuki, Kawasaki, TVS, Bajaj, Kymco, KTM, Lifan, SYM, King Birds etc.

BLAZE 4T 20W40 API SJ, JASO MA2

High performance 4-stroke motorcycle oil specially made from high quality base oils and superior additives to retain its viscosity during use which provides uniform lubrication to vital engine parts. It avoids clutch slippage thus enhances the clutch life and better mileage.

Blaze 4T 20W40 is recommended for all 4-stroke motorcycle like Honda, Yamaha, Suzuki, Kawasaki, TVS, Bajaj, Kymco, KTM, Lifan, SYM, King Birds etc.

POWER GEAR 80W90 API GL4

POWER GEAR 80W90 is a superior gear oil manufactured from high quality base oils to ensure excellent protection from wear for longer gear life, smooth gear engagement for minimum power loss and superior lubrication at all operating temperatures.

Power Gear is recommended for Gearboxes of all Heavy and Light Duty HCV,LCV, Passenger Vehicles.

POWER GEAR 85W140 API GL5

POWER GEAR 85W140 is a multi grade Axle/Differential gear oil having capacity to withstand high load and extreme pressure. It form a strong layer on gear metal to avoid metal to metal contact thus prolongs the gear life.

Power Gear is recommended Recommended for Hypoid Rear Axles or differential Gears of all types of Vehicles.

POWER ATF D II DEXRON II D

POWER AUTOMATIC TRANSMISSION FLUID D II is a high performance automatic transmission fluid designed to provide smooth and efficient operation in all modern automatic transmission and power steering.

Power ATF D II is recommended for use in Automatic Transmission application including automatic gearboxes and power assisted torque converter or steering assemblies.

POWER GEM MP3 NLGI 3

POWER GEM MP 3 is a premium quality lithium soap based multi-purpose grease with excellent oxidation stability, high temperature and water resistant properties.

Power Gem MP3 is recommended for use in Wheel Bearing and Hubs, Universal Joints, Water Pumps Bearings, Bearing and Hubs, Universal Joints, Water Pumps Bearings, Steering and Chasis parts of all automotive vehicles.

INDUSTRIAL OILS & GREASES

HYDRAULIC OILS, GEAR OILS, COMPRESSOR OILS, TURBINE OILS, THERMIC FLUIDS, SPINDLE OILS, REFRIGERATION OILS, GREASE EP 00,0,1,2, METAL WORKING FLUIDS
